 - (i) applicable fees and charges (e.g. handling charges);
 - (ii) additional cost (if any) incurred by us in obtaining funds in the market for the remaining term of the time deposit; and
 - (iii) any amount we already paid to you by way of interest or to any governmental agency, tax authority or other authority, whether in or outside Hong Kong, by way

of taxation (if applicable);

- (c) we may cancel the time deposit and charge handling fees if its amount is insufficient to pay the amounts set out in paragraph (b) above; and
 - (d) you should make a request for Early Uplift at least two (2) Business Days before the maturity date through our customer service hotline or any other means as may be accepted by us from time to time.
- 15.9 You should give instructions (including any amending instructions) on how to handle the principal amount and interest of a time deposit at maturity at least one (1) calendar day before its maturity date (when such option is made available in accordance with these Terms and Conditions). You may give us instructions directly through our App or any other means as may be accepted by us from time to time.
- 15.10 If we do not receive any specific instructions on how to handle the principal amount and interest of a time deposit by its maturity date, the principal and interest of your time deposit will be credited to your savings account on its maturity date.

Deposit Protection Scheme

- 15.11 The deposits with a maturity not longer than five (5) years in your time deposit account are qualified for protection by the Deposit Protection Scheme established under the Deposit Protection Scheme Ordinance (Cap. 581 of the Laws of Hong Kong).

16. Payment and transfer

16a. Payment and transfer service

- 16a.1 We provide payment and transfer service (“**Payment and Transfer Service**”) for making payment or transferring funds to accounts maintained with us or with other banks or financial institutions, or operators of payment systems or network or licensed stored value facilities. We may execute your instructions for payments or transfers through the HKICL FPS (as defined in Clause 17.3 of these Terms and Conditions below) or any other suitable and available means that we consider appropriate from time to time.
- 16a.2 Payments and transfers using the HKICL FPS are governed by the terms and conditions specified by HKICL. The HKICL FPS is provided and operated by HKICL. Before using the Payment and Transfer Service and HKICL FPS, please read carefully the provisions in Clause 17 of these Terms and Conditions.
- 16a.3 We have the right to set and change from time to time the minimum and/or maximum payment or transfer limits, whether per day, per month, per transaction or by other standard.

Setting up the Payment and Transfer Service

- 16a.4 **To use the Payment and Transfer Service, you are required to follow our procedures to set the daily transfer limits through the App, which must be within the maximum transfer limit specified by us from time to time.**

Fund transfers

- 16a.5 By using the Payment and Transfer Service, you can transfer funds through the App or internet banking services (the availability of internet banking services will be subject to any further notice that the Bank may give in accordance with these Terms and Conditions):
- (a) between your accounts maintained with us;
 - (b) from your account maintained with us to an account maintained by another person with us;
 - (c) from your account maintained with us to an account maintained by another person with

another bank or financial institution, retail payment system or network operator or licensed stored value facility accepted by us; or

- (d) from your account maintained with us to an account maintained by another person with any participant of HKICL FPS from time to time.

16a.6 **You are required to input the necessary information to make a payment or transfer.** This information may include the mobile number, email address, FPS Identifier or account number of the person receiving the amount (“Payee”). **You are responsible for providing complete and accurate information of each Payee.**

Payment or transfer instructions

16a.7 After you have input the Payee’s information and the amount to be paid or transferred, the App will ask you to check and confirm the information of the transfer instruction. **You should check the information of the instruction carefully and avoid any errors when making payments or transfers. Once sent, you cannot change or cancel the instruction.** You also conclusively authorise us to debit from your account the specified amount to be paid or transferred and to pay or transfer such amount to the specified account of the Payee.

16a.8 We have the right to refuse to execute your instructions:

- (a) if there are insufficient funds in your account;
- (b) if your account is suspended for any reason or if we note any irregularities with your account; or
- (c) if the amount to be paid or transferred does not meet any minimum or maximum limit set by us or by you.

Termination of Payment and Transfer Service

16a.9 If one or more of the following situations occur, we have the right to terminate your use of the Payment and Transfer Service by setting the daily transaction limit to “0”. After we have set your daily transaction limited to “0”, you are required to set up the daily transaction limit again in order to use the Payment and Transfer Service:

- (a) if you change or delete your mobile number that is registered with us;
- (b) if you change or delete your email address that is registered with us; or
- (c) if you have not conducted any payment or transfer for at least twelve (12) consecutive months (or such other time period as we may set from time to time).

16a.10 You may terminate the Payment and Transfer Service at any time by setting the daily transaction limit as “0” through the App.

16b. Suspicious Proxy Alert

Alerts and Money Transfers

16b.1 This Clause 16b applies to the Alerts and the Money Transfers as defined in Clause 16b.2 below. If there is any inconsistency between this Clause 16b and the other clauses in these Terms and Conditions, this Clause 16b will prevail insofar as the Alerts and Money Transfers are concerned. **By making any Money Transfer on or after the date on which this Clause 16b comes into effect, you confirm that you have accepted and will be bound by this Clause 16b.**

16b.2 In this Clause 16b:

“**Alert**” means a warning message that a Money Transfer or the relevant payee or payee’s account may involve fraud or scam;

“Anti-fraud Database” includes any anti-fraud search engine and/or anti-deception database (including but not limited to Scameter) operated or managed by the Hong Kong Police Force or any other law enforcement agency or governmental body or regulatory authority of Hong Kong, whether it is accessible by the public in general or by designated entities or organisations; and

“Money Transfer” means a transfer of money by you through the Bank via any channel or means, and in any currency determined by the Bank from time to time, including but not limited to one or more of internet banking, FPS Banking Services or through the Payment and Transfer Service, whether the payee’s account is maintained with the Bank or not; and if the context requires or permits, includes an instruction given by you to the Bank to make a Money Transfer.

Reason for sending Alerts

16b.3 The Alerts are intended to help you stay vigilant against frauds, scams and deceptions when making Money Transfers. You shall not take the Alerts as replacing your responsibility for safeguarding your own interests, money and assets from fraud or other illegal activities.

The Bank’s role, responsibilities and restriction of liability

16b.4 The Bank:

- (a) does not control the management, operation or any other aspect of the Anti-fraud Databases;
- (b) compiles the Alerts solely based on the information available from the Anti-fraud Databases from time to time; and
- (c) would not compile any Alert relating to a payee, a payee’s account or a transaction if no information about it is available from or in the Anti-fraud Databases.

Therefore, the Bank does not and cannot warrant whether the information available from any Anti-fraud Database is complete, true, accurate and up-to-date, and that the Money Transfers for which you do not receive Alerts are not fraudulent nor that Money Transfers for which you receive Alerts are fraudulent. No Alert should be taken as recommendation or advice from the Bank on, or in relation to, any relevant Money Transfer or payee. The Bank’s records of its delivery of any Alert to you and any response from you whether to proceed or cancel any Money Transfer shall have conclusive effect save for manifest error.

16b.5 The Bank may compile and deliver the Alerts in such ways as it considers appropriate. The Bank shall have sole discretion to determine and/or vary, from time to time and without further notice to you, the contents of the Alerts, the channels or means through which the Alerts are delivered, and/or the time when the Alerts are delivered, having regard to the Bank’s needs and the feedback, comments, guidance or recommendations from the relevant persons. **“Relevant persons”** may include but not limited to law enforcement agencies or other governmental bodies, or regulatory authorities or industry associations of Hong Kong. The Bank may deliver the Alerts to you by electronic or other means.

16b.6 The Bank is not liable for loss, damage or expense of any kind (whether direct or consequential and including loss of profit or interest), which you or any other person may incur or suffer arising from any information available or omitted from any Anti-fraud Database, or any delay, unavailability, disruption, failure, error of or caused by any Anti-fraud Database, or arising from any circumstances beyond the Bank’s reasonable control.

16b.7 The Bank is not liable for loss, damage or expense of any kind (whether direct or consequential and including loss of profit or interest), which you or any other person may incur or suffer arising from or in connection with the Alerts, the delivery of the Alerts (or any delay, failure to deliver or unavailability of the Alerts), or the processing, execution, suspension or cancellation of Money Transfers affected by the Alerts (or by any delay, failure to deliver or unavailability of the Alerts), except to the extent that any loss, damage or expense incurred or suffered is direct and reasonably foreseeable, and arising directly and solely from the Bank’s gross negligence or wilful default or

that of its officers, employees or agents.

- 16b.8 In no event will the Bank, its affiliates or group companies, its licensors, and its and their respective officers, employees and agents be liable to you or any other person for any loss of profit or any special, indirect, incidental, consequential or punitive loss or damages (whether or not they were foreseeable or likely to occur).
- 16b.9 Nothing in this Clause 16b is intended to exclude or restrict any right or liability to the extent of which it may not be lawfully excluded or restricted.

Your responsibilities

- 16b.10 **You are responsible for taking reasonably practicable steps to safeguard your own interests, money and assets from fraud or other illegal activities. You are responsible to check and ensure that the payee, the payee's account, the transaction and the transaction details are real and trustworthy in each case. You should consider carefully whether to proceed with or cancel a Money Transfer. Your decision to proceed with or cancel a Money Transfer is binding on you and you shall be solely responsible for the consequences. You should seek independent legal advice or other advice if you are uncertain about whether to proceed with or cancel a Money Transfer.**

17. Faster Payment System

FPS Banking Services relating to Faster Payment System

- 17.1 The provisions in this Clause 17 apply to our services relating to Faster Payment System. We provide the FPS Banking Services (as defined in Clause 17.3 of these Terms and Conditions below) to customers to facilitate payments and money transfers using the Faster Payment System, which is operated by HKICL and subject to the rules, guidelines and procedures imposed by HKICL in relation to the Faster Payment System from time to time. This Clause 17 governs our provision of the FPS Banking Services to you and your use of the FPS Banking Services. The provisions in this Clause 17 prevail if there are any inconsistencies between this Clause 17 and the other provisions of these Terms and Conditions insofar as the FPS Banking Services are concerned.
- 17.2 **By requesting us to register any Proxy ID for you in the HKICL FPS or to set up any eDDA for you using the HKICL FPS, or by initiating any payment or funds transfer using the HKICL FPS, you will be regarded as having accepted and having agreed to be bound by this Clause 17. You should not request us to register any Proxy ID or set up any eDDA for you and should not initiate any payment or funds transfer using the HKICL FPS unless you accept this Clause 17.**

- 17.3 In this Clause 17, the following terms have the following meanings:

"Addressing Service" means a service provided by HKICL as part of HKICL FPS to facilitate customers of Participants to use predefined Proxy ID instead of account number to identify the destination of a payment or funds transfer instruction and other communications for the purpose of HKICL FPS.

"Default Account" means the account maintained by you with us or any other Participant which is set as the default account for receiving payment or funds using HKICL FPS or (if and to the extent specified or permitted by the rules, guidelines and procedures of HKICL) for debiting payment or funds using HKICL FPS.

"eDDA" means a direct debit authorisation set up by electronic means using HKICL FPS.

"eDDA Service" means a service provided by HKICL as part of HKICL FPS to facilitate customers of Participants to set up direct debit authorisation.

"FPS Banking Services" means the services provided by us to customers from time to time to facilitate payments and funds transfers using HKICL FPS and the Addressing Service, eDDA Service and any other services and facilities provided by HKICL in connection with the Faster

Payment System from time to time.

“FPS Identifier” means a unique random number generated by HKICL FPS to be associated with the account of a customer of a Participant.

“HKICL” means Hong Kong Interbank Clearing Limited and its successors and assigns.

“HKICL FPS” or **“Faster Payment System”** means the Faster Payment System and related facilities and services provided, managed and operated by HKICL from time to time for (i) processing direct debits and credits, funds transfers and other payment transactions and (ii) exchanging and processing instructions relating to eDDA Service and Addressing Service.

“Participant” means a participant of HKICL FPS which may be a bank or other financial institution, a retail payment system operator, a licensed stored value facility, or any other person accepted by HKICL as a participant of HKICL FPS from time to time.

“Proxy ID” means the identifiers which may be accepted by HKICL for registration in the Addressing Service to identify the account of a customer of a Participant, including the mobile phone number or email address of the customer, or the FPS Identifier.

“Regulatory Requirement” means any law, regulation or court order, or any rule, direction, guideline, code, notice or restriction (whether or not having the force of law) issued by any regulatory authority, governmental agency (including tax authority), clearing or settlement bank or exchange, or industry or self-regulatory body, whether in or outside Hong Kong, to which HKICL, we or any other Participant or the respective affiliates or group companies, or you are subject or are expected to comply with from time to time.

“you” and **“your”** means each customer to whom we provide the FPS Banking Services and, where the context permits, includes any person authorised by the customer to give instructions or requests to us in connection with the use of the FPS Banking Services.

Scope of FPS Banking Services and conditions for use

- 17.4 We provide the FPS Banking Services to customers to facilitate payment and funds transfer using the Faster Payment System and the Addressing Service, eDDA Service and any other services and facilities provided by HKICL in connection with the Faster Payment System from time to time. We have the right to set or vary from time to time the scope of the FPS Banking Services and the conditions and procedures for using the FPS Banking Services. In order to use the FPS Banking Services, you must accept and follow these conditions and procedures.
- 17.5 We may provide the FPS Banking Services to facilitate payment and funds transfer in any currency specified by us from time to time, including Hong Kong dollars.
- 17.6 **In order to enable us to handle an instruction for you in relation to payment or funds transfer using HKICL FPS, you have to provide or input the necessary information and complete the process by such means or in such manner prescribed by us from time to time.**
- 17.7 All payment or funds transfer transactions using HKICL FPS will be processed, cleared and settled under the interbank clearing and settlement arrangements including the arrangements in relation to the Faster Payment System agreed by the Participants and HKICL from time to time.
- 17.8 We reserve the right to suspend or terminate the FPS Banking Services in whole or in part at any time without giving any notice or reason.

Addressing Service - registration and amendment of Proxy ID and related records

- 17.9 In order to use the Addressing Service to receive payment or funds transfer using HKICL FPS, you have to register your Proxy ID in the HKICL FPS. We have discretion as to whether to offer the FPS Identifier as Proxy ID to you.
- 17.10 Registration and amendment of Proxy ID and related records in the HKICL FPS must be done in

accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. In order to enable us to register or amend your Proxy ID or any related records for you, you have to provide or input the necessary information and complete the registration process by such means or in such manner prescribed by us from time to time.

- 17.11 **At any time where the same Proxy ID is registered by you for more than one account (whether maintained with us or with any other Participant), you must set one account as the Default Account. By instructing us to set or change the Default Account for you, you consent and authorise us to submit the request on your behalf to HKICL FPS to override the existing Default Account registered in HKICL FPS.**

eDDA Service

- 17.12 In order to enable us to handle a request for you in relation to eDDA setup, you have to provide or input the necessary information and complete the process by such means or in such manner prescribed by us from time to time. The prescribed process may include requiring the relevant parties to set up the eDDA using their respective account numbers or customer identification numbers or codes. For the avoidance of doubt, a Proxy ID is not intended for verifying eDDA setup. Any amendment of a Proxy ID and the related records or termination of a Proxy ID after an eDDA setup will not affect that eDDA.

Your responsibility

- 17.13 Present genuine owner or authorised user of Proxy ID and accounts

You can only register your own Proxy ID for your own accounts or set up eDDA for your own accounts. You must be the present genuine owner or authorised user of each Proxy ID and each account provided to us for registration in the Addressing Service and the eDDA Service. By instructing us to register any Proxy ID or any account for you in relation to the Faster Payment System, you confirm that you are the present genuine owner or authorised user of the relevant Proxy ID or account. This is particularly important for mobile phone numbers as they may be recycled in Hong Kong.

- 17.14 Proxy ID

Any Proxy ID to be registered by you for the Addressing Service must satisfy any applicable requirements imposed by HKICL from time to time. For example, HKICL may require the mobile phone number or email address to be registered as Proxy ID to be the same number or address registered by you as contact information on our records at the relevant time. You understand and agree that we, other Participants and HKICL have the right and discretion without giving notice to deregister any Proxy ID that is not correct or up-to-date in accordance with available information without your consent.

- 17.15 Correct information

- (a) **You have to ensure that all the information provided by you for registration or amendment of Proxy ID (or any related records) or for any eDDA setup is correct, complete, up-to-date and not misleading. You have to notify us as soon as reasonably practicable of any changes or updates to such information by such means or in such manner specified by us from time to time.**
- (b) **You are fully responsible for using the correct and up-to-date Proxy ID and related records in giving each payment or funds transfer instruction. You are solely liable for and will hold us harmless from any incorrect payment or transfer effected by us and HKICL FPS due to incorrect or outdated Proxy ID or related records.**

- 17.16 Timely updates

You are fully responsible for giving instructions and information changes or updates to us on a timely basis for amending your Proxy ID (or related records) or any eDDA setup, including changing your Default Account, or terminating any Proxy ID or eDDA. You

acknowledge and agree that keeping your Proxy ID, eDDA and all related records up-to-date is critical for ensuring effective execution of payment and funds transfer instructions and for avoiding incorrect payment or transfer due to incorrect or outdated Proxy ID, eDDA or related records.

17.17 Change of Default Account

If an account is terminated as the Default Account by you or by the relevant Participant for any reason (including suspension or termination of the account), the system of HKICL will automatically assign the most recently registered record in the Addressing Service that is associated with the same Proxy ID to be the Default Account. If you wish to set another account as the Default Account, you have to change the registration through the Participant where you maintain that other account.

17.18 Transactions binding on you

- (a) For any payment or funds transfer, once you confirm the details of a transaction and submit instruction to us, such instruction and any resulting transaction is final, irrevocable and binding on you.
- (b) For any Proxy ID registration or eDDA setup, once you submit an instruction to us, such instruction is irrevocable and binding on you. You may amend or cancel any Proxy ID or eDDA setup in accordance with the procedures and requirements prescribed by us from time to time.

17.19 Use FPS Banking Services responsibly

You must use the FPS Banking Services in a responsible manner. In particular, you must comply with the following obligations:

- (a) You must comply with all Regulatory Requirements that govern your use of the FPS Banking Services, including collecting, using and handling the personal data and other information relating to any other person in compliance with the Regulatory Requirements protecting data privacy. You must not use the FPS Banking Services for any unlawful purposes or any purposes other than those authorised or contemplated in the rules, guidelines and procedures of HKICL.
- (b) When sending remarks or messages which would be displayed to recipients or counterparties of your payment or funds transfer instructions or eDDA setup using HKICL FPS, you should mask or avoid sending the full name and/or other personal or confidential data of such recipients or counterparties to prevent any unauthorised display or disclosure of any personal data or confidential data.
- (c) If we offer an FPS Identifier as Proxy ID to you, you should not repeatedly cancel the registration and request for generation of another FPS Identifier in an attempt to generate a number or value that you desire.

17.20 Other obligations regarding payments and funds transfers

- (a) When giving instructions to make payments or effect transactions, you agree to take reasonably practicable steps to safeguard your own interest, money and assets from fraud or other illegal activities. You are responsible to check whether the payment recipient and the transaction are real and trustworthy in each case and exercise sound judgement. To help you stay vigilant against frauds, scams and deceptions, we will send risk alerts based on the risk warnings, messages and indicators received by us from the Faster Payment System or Hong Kong Police Force from time to time.
- (b) Any instruction given by you in relation to the FPS Banking Services will be handled by us in accordance with this Clause 17 and other applicable provisions of these Terms and Conditions. You must comply with the other obligations with respect to

payments, funds transfers and direct debit authorisations, including maintaining sufficient funds in the relevant accounts for settling payment and funds transfer instructions from time to time.

17.21 You are responsible for your authorised persons

Where you authorise any other person to give instructions or requests to us in connection with the use of the FPS Banking Services:

- (a) you are responsible for all the acts and omissions of each person authorised by you;
- (b) any instruction or request received by us, believed by us in good faith to be given by you or any person authorised by you, will be irrevocable and binding on you; and
- (c) you are also responsible for ensuring that each person authorised by you will comply with the provisions of this Clause 17 that are applicable to him when acting on your behalf.

Our responsibility and restriction of liability

17.22 We will process and submit your instructions and requests to HKICL FPS in accordance with the applicable rules, guidelines and procedures imposed by HKICL from time to time. HKICL FPS has the right to process and execute your instructions and requests in such sequence or manner as HKICL considers appropriate. We have no control over the operation of HKICL FPS nor the timing on which your instructions or requests are executed by HKICL FPS. Where we receive status update notifications involving any of your Proxy ID (or related records) or eDDA setup or any other matter relating to HKICL FPS from or through HKICL FPS from time to time, we will notify you accordingly by such means and at such time as we consider appropriate.

17.23 Without reducing the effect of Clause 17.22 of these Terms and Conditions or other provisions of these Terms and Conditions:

- (a) we are not liable for any loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with the use of the FPS Banking Services or the processing or execution of instructions or requests given by you in relation to the FPS Banking Services or HKICL FPS, except to the extent that any loss, damage or expense incurred or suffered is direct and reasonably foreseeable arising directly and solely from our negligence or wilful default or that of our officers, employees or agents;
- (b) **for clarity, we are also not liable for any loss, damage or expense of any kind which you or any other person may incur or suffer arising from or in connection with one or more of the following:**
 - (i) your failure to comply with your obligations relating to the FPS Banking Services; and
 - (ii) any delay, unavailability, disruption, failure, error of or caused by HKICL FPS or any functionality of the Faster Payment System, or arising from any circumstances beyond our reasonable control, including any delay or error relating to the risk warnings, messages and indicators about suspected frauds, scams or deceptions received by us from the Faster Payment System or Hong Kong Police Force; and
- (c) in no event will we (including our affiliates, group companies and our licensors) and our and their respective officers, employees and agents be liable to you or any other person for any loss of profit or any special, indirect, incidental, consequential or punitive loss or damages (whether or not they were foreseeable or likely to occur).

17.24 Your confirmation and indemnity

- (a) **Without reducing the effect of any indemnity given by you under these Terms and Conditions or any other rights or remedies that we may have, you will indemnify us and our officers, employees and agents and hold each of us and them harmless**

against all liabilities, claims, demands, losses, damages, costs, charges and expenses of any kind (including legal fees on a full indemnity basis and other expenses reasonably incurred) which may be incurred or suffered by us or any of them and all actions or proceedings which may be brought by or against us or any of them as a result of or in connection with our provision of the FPS Banking Services or your use of the FPS Banking Services.

- (b) The above indemnity does not apply to the extent that it is proved that any liabilities, claims, demands, losses, damages, costs, charges, expenses, actions or proceedings are direct and reasonably foreseeable arising directly and solely from our negligence or wilful default or that of our officers, employees or agents. The above indemnity shall continue to have effect after the termination of the FPS Banking Services.

Collection and use of Customer Information

17.25 For the purposes of using the FPS Banking Services, you may be required to provide us with the personal data and other information relating to one or more of the following persons from time to time:

- (a) yourself;
- (b) the recipient of any payment or funds transfer to be made by you, or the counterparty of any eDDA to be set up by you; and
- (c) your authorised persons and representatives,

all personal data and information provided to us or compiled by us from time to time in connection with the FPS Banking Services are collectively referred to as “**Customer Information**”.

17.26 You agree (and, where applicable, for and on behalf of each of your authorised persons and representatives) that we may collect, use, process, retain or transfer any of the Customer Information for the purposes of the FPS Banking Services. Such purposes include one or more of the following:

- (a) providing the FPS Banking Services to you, maintaining and operating the FPS Banking Services;
- (b) processing and executing your instructions and requests in relation to the FPS Banking Services from time to time;
- (c) disclosing or transferring the Customer Information to HKICL and other Participants for their use for the purpose of the operation of HKICL FPS;
- (d) meeting the requirements to make disclosure under any Regulatory Requirements; and
- (e) purposes relating to any of the above.

17.27 You understand and agree that the Customer Information may be further disclosed or transferred by HKICL, us or any other Participants to their customers and any other third parties who are users of HKICL FPS for the purposes of providing and operating the Addressing Service and the eDDA Service.

17.28 If the Customer Information includes personal data or other information of any person other than yourself (including any persons specified in Clause 17.25(b) or 17.25(c) of these Terms and Conditions above), you confirm that you will obtain and have obtained the consent from such person regarding the use (including disclosure and transfer) of his/her personal data and other information by HKICL, us and the other Participants as specified in this Clause 17.

17A. FX Services

General

- 17A.1 This Clause 17A sets out the terms and conditions under which we agree to provide you with the "FX Services" (details of which are particularised in this Clause 17A and such other relevant documents and materials that are made available to you from time to time) (the "**FX Services**"). If there is any conflict between this Clause 17A and the other terms in these Terms and Conditions, this Clause 17A shall prevail insofar as the FX Services, or transactions or arrangements carried out in connection with the FX Services, are concerned.
- 17A.2 Under the FX Services, you may place an order with the Bank to convert an agreed amount in one currency into another currency (the "**FX Order**"), and the Bank will process such FX Order in accordance with this Clause 17A.
- 17A.3 In order to use the FX Services, you must fulfil all the following criteria to the Bank's satisfaction and such other conditions as may be imposed by the Bank in its sole discretion from time to time:
- (a) maintain a balance in your savings account such that there are sufficient funds in the relevant currency to be deducted when the Bank executes the relevant currency exchange transaction at the Exchange Rate (as defined in Clause 17A.7 below) in accordance with an FX Order;
 - (b) have installed the latest version of the App; and
 - (c) provide such information and/or documentation if requested by the Bank to prove that the transaction is in compliance with all applicable laws, rules and regulations.

Instructions

- 17A.4 We may (but are not obliged to) provide the FX Services to you by executing, or arranging for the execution of, your FX Order.
- 17A.5 When you place an FX Order with us, we are authorised by you to do the following (or any of them):
- (a) effect the currency exchange transaction at any time pursuant to such FX Order;
 - (b) debit any available credit balance from your savings account for the relevant currency exchange transaction ;
 - (c) apply the amount debited to purchase the selected currency in such amount as set out in the FX Order at the Exchange Rate (as defined in Clause 17A.7 below); and
 - (d) credit the amount of the purchased currency to your savings account.
- 17A.6 The Bank has the right to set and vary the following (or any of them) at its discretion from time to time and without giving you any notice or reason:
- (a) the eligibility criteria for using the FX Services, whether on the availability and amount of any balance in your savings account from which you may choose when determining the conversion;
 - (b) the types of currencies and any minimum or maximum amount of each currency which may be converted under the FX Services;
 - (c) any minimum or maximum transaction amount under the FX Services;
 - (d) the timing or frequency at which relevant currency exchange transactions may be effected under the FX Services;
 - (e) the form and any minimum or maximum number of any FX Order which you may place, whether by reference to an account, a period, a currency or any other criteria;
 - (f) a cut-off time on any day that the Bank designates from time to time for processing any

FX Order of yours received by the Bank during that day; and

(g) other features relating to a currency exchange transaction or the FX Services.

17A.7 The **"Exchange Rate"** means, in respect of an FX Order, the rate for converting one currency into another currency which we determine to be applicable to that FX Order, as displayed on the App at the relevant time. The Exchange Rate may not be the same as the prevailing interbank market foreign exchange rate and may be different from the rate that we provide to another customer. The Bank is not obliged to check the prevailing interbank market foreign exchange rate or execute a currency exchange transaction at such rate. There is no guarantee that the Exchange Rate represents the rate available elsewhere in the market or is the same as the rate quoted or provided by the Bank through other means, channels or services. You acknowledge and agree that, unless otherwise specified or agreed, the Bank will provide you with a single "all-in" applicable Exchange Rate which may include: (a) the bid/offer spread, (b) the costs related to execution including execution venue fees, clearing and settlement fees and other fees paid to third parties involved in the execution of the transaction; and (c) any sales mark-up as determined by the Bank in relation to the particular transaction.

17A.8 When you place an FX Order, the Bank will notify you of the proposed applicable Exchange Rate at the time when the FX Order is placed. Such proposed Exchange Rate will only be available and valid for acceptance for a limited duration, which the Bank shall determine from time to time, and the applicable Exchange Rate may be subject to change after the limited duration. Any such change will be shown to you prior to your final confirmation of the instruction and you acknowledge that the proposed final applicable Exchange Rate that you accept may be different from the applicable Exchange Rate at the time the FX Order is placed. You are required to confirm the details of your FX Order (including acceptance of the then applicable Exchange Rate) and provide the Bank with your confirmation through the means designated by the Bank within the required duration. The Bank will not be required to execute any currency exchange transaction until the Bank has received your confirmation in the manner as specified by the Bank from time to time. Once you have confirmed the proposed currency exchange transaction and the proposed applicable Exchange Rate to such proposed currency exchange transaction, such confirmation is irrevocable and the Bank will execute the transaction based on your confirmed instruction, but always subject to the Bank's sole discretion as set out under Clauses 17A.9 and 17A.11 below.

17A.9 All FX Orders and instructions given by you under the FX Services are subject to approval by the Bank, which may or may not be granted at the Bank's sole discretion. The Bank is entitled to reject or refuse to carry out any FX Order or instruction for any reason it considers appropriate and such FX Order or instruction shall, immediately following such rejection or refusal, become invalid and cease to have any effect. Without prejudice to the generality of the foregoing, we may reject or refuse to carry out an FX Order or instruction if:

- (a) there is an insufficient credit balance of the relevant currency in your savings account for the purchase of the currency in such amount as stated in your instructions or in the FX Order;
- (b) the amount to be purchased pursuant to the relevant currency exchange transaction cannot be credited to your account;
- (c) the relevant currency stipulated in the instruction or FX Order may be subject to foreign exchange restrictions or controls imposed by the relevant authorities (including but not limited to regulatory authorities and/or governmental agencies) which restrict the availability, deposit or transfer of such currency; and/or
- (d) on any other ground as the Bank in its absolute discretion considers appropriate or necessary,

in each case the Bank may debit your savings account to indemnify the Bank on any loss and expenses incurred by it as a result.

17A.10 Once an FX Order or instruction has been sent by you to the Bank, no amendment or cancellation of the same will be allowed.

17A.11 The Bank is not liable to execute any transaction for you pursuant to the FX Services at any particular time or at all, and may suspend the FX Services from time to time at the Bank's sole discretion. Notwithstanding that an FX Order is confirmed by you pursuant to Clause 17A.8 above, the Bank may be unable to execute a currency exchange transaction due to the total volume of instructions or transactions that the Bank has to handle, market fluctuations, market conditions, system maintenance, downtime, force majeure events and/or other circumstances beyond the Bank's reasonable control at the relevant time. If the Bank determines, at its sole discretion, that the Bank is unable to execute a currency exchange transaction, the Bank will cancel and invalidate the relevant FX Order or instruction, and will notify you the same. The Bank shall not be liable for any claims, suits, actions, proceedings, losses, damages, obligations, liabilities, costs, fees or expenses which you may incur or suffer from, arising out of or in connection with this Clause 17A, including without limitation the Bank's refusal or failure to provide any part of the FX Services, the misquoting of any rates, or processing of or failure to process any FX Order, unless due to the gross negligence, fraud or wilful default of the Bank.

17A.12 The Bank will use reasonable endeavours to send to you the order placement and trade confirmations in respect of each FX Order placed under the FX Services, which may be made by way of short messages via SMS, emails, or through any other notification method and/or confirmation made within the App.

17A.13 For the purpose of the FX Services, you shall not transmit (and the Bank will not act upon) any request, instruction and/or order using mobile devices other than those specified by the Bank as being appropriate for the express purpose of entering requests, instructions and/or orders.

Acknowledgement and Risk Disclosure

17A.14 You confirm that you have assessed and analysed and so you understand, acknowledge and accept the possible risks involved in using the FX Services (including, without limitation, any instruction given through the FX Services being intercepted, monitored, amended, tampered with or being sent or disclosed to other parties without your authorisation). You agree that the Bank will not be liable for any disclosure of confidential information not authorised where you have not complied with this Clause 17A or such other terms and conditions, guidelines or recommendations that the Bank may issue or which you may be subject to from time to time. You further agree that the Bank may vary or terminate the FX Services at any time and in such manner as the Bank may prescribe from time to time.

17A.15 You confirm that the Bank in providing the FX Services is acting as a principal at an arm's-length and not as your advisor or agent. The Bank does not provide and will not provide you with any investment advice, assurance or guarantee regarding any expected outcome of actual or potential currency exchange transaction. Any information provided or issued by the Bank is not and should not be regarded as an offer or solicitation to buy or sell any currency. You should make your own independent decision and seek appropriate professional advice.

17A.16 You confirm that you have read and understood the risk disclosure statements set out below in their entirety.

- (a) Before placing an FX Order or instruction for a currency exchange transaction, you must consider whether the currency exchange transaction is appropriate in light of your objectives, experience, financial, risk management, operational resources and other relevant circumstances. Before entering into any currency exchange transaction, you should inform yourself of the various types of risks and the nature and extent of the exposure to risk of loss. You fully understand and assume the risks associated with such transactions and shall be solely liable for all losses, costs, expenses and charges resulting therefrom.
- (b) Currency exchange risk - the value of your foreign currency will be subject to the risk of fluctuation in exchange rate. If you choose to convert your foreign currency to other currencies at the Exchange Rate that is less favourable than the exchange rate in which you made your original conversion to that foreign currency, you may suffer a loss in principal.

- (c) Currency exchange rate fluctuations - Exchange Rates are affected by a wide range of factors, including national and international financial and economic conditions and political and natural events. The effect of normal market force may at times be countered by intervention by central banks and other bodies. At times, Exchange Rates, and price linked to such rates, may rise or fall rapidly.
 - (d) Hong Kong dollars are currently pegged to United States dollars, and any depreciation of United States dollars against other currencies may cause the value of units denominated in Hong Kong dollars to depreciate against such other currencies.
 - (e) Renminbi ("RMB") is subject to exchange rate risk and is currently not freely convertible. Conversion of RMB or provision of RMB services through banks in Hong Kong is subject to relevant RMB policies, other restrictions and regulatory requirements in Hong Kong. No prior notice will be given for any changes which may be made from time to time.
 - (f) Cybersecurity risk - your use of the FX Services provided by the Bank is subject to risks associated with electronic trading systems such as hardware, software or human failures, connectivity issues, computer viruses and/or system or power failures.
- 17A.17 Current exchange transactions involving certain currencies may involve specific risk factors only relevant to such currencies and we may provide you with additional risk disclosure statements from time to time. You are deemed to have acknowledged the receipt of such risk disclosure statements and the relevant risks involved should you proceed to execute a currency exchange transaction with us.
- 18. Credit facilities (the availability of credit facilities will be subject to any further notice that the Bank may give in accordance with these Terms and Conditions)**
- 18.1 We may (but are not obliged to) provide credit facilities of any type (including overdraft facilities) and subject to any terms and conditions as we consider appropriate (including the amount, interest payable, repayment and/or security arrangements applicable to the credit facilities).
- 18.2 You may be required to make separate applications for any credit facilities and provide additional information and documents as we may reasonably require to enable us to process the applications. Any credit facilities granted by us will be subject to terms and conditions in addition to these Terms and Conditions. **If we provide any credit facilities to you, you should inform us as soon as possible of any difficulty in repaying the credit facilities or in meeting any payment to us arising from the credit facilities.**
- 18.3 Unless otherwise specified by us, we have the customary overriding right to cancel or suspend any unutilised credit facilities, or determine whether or not to permit utilisation of any unutilised credit facilities, and we also have the right of repayment on demand at any time in respect of any credit facilities (including the right to call for cash cover on demand for prospective and contingent liabilities.) Further, any credit facilities granted by us will be subject to our review at such time or intervals as we consider appropriate.
- 19. Your representations and undertakings**
- 19.1 You represent to us that:
- (a) you have full legal capacity and authority to use our accounts and services and perform transactions and your obligations under these Terms and Conditions, and these obligations are legal, valid and enforceable; no legal or other proceedings have been initiated or threatened and no meeting has been convened for the bankruptcy against you for the appointment of a receiver, manager (judicial or otherwise), trustee or similar officer and no arrangement, composition with, or any assignment for the benefit of creditors have been made or proposed to be made against you; and
 - (b) you use our accounts and services and effect transactions as principal and not as agent, trustee or nominee for any other person.

- 19.2 In using our accounts and services and effecting transactions, you undertake that you will comply with all applicable legal and regulatory requirements including, in particular, any applicable sanction or embargo regime. We have the right to delay or refuse to handle any instruction, transaction or make any payment having regard to the applicable legal and regulatory requirements without notice to or consent from you.

- 20.2 **You are required to review the transaction records and account statements promptly to check and report any errors, discrepancies, unauthorised transactions or irregularities. You should notify us as soon as reasonably practicable of any items which you believe are errors, discrepancies, unauthorised transactions or irregularities and, in any case, within ninety (90) days from the date of the account statement.**

- 20.3 If we do not receive any report on errors, discrepancies, unauthorised transactions or irregularities from you within ninety (90) days after the date of the relevant account statement:

- (a) the statement will be regarded as correct, conclusive and binding on you; and
- (b) you will be considered to have waived any right to raise any objection or pursue any remedies against us in relation to that statement,

unless the errors, discrepancies, unauthorised transactions or irregularities arise from fraud, wilful default or gross negligence on our part or on the part of our officers, employees or agents.

- 20.4 For security reasons, we will send you instant notifications of payment or fund transfer involving your accounts. We will send these notifications usually by SMS based on your Designated Device number or through in-App notifications or emails (or through any other channels as we consider appropriate from time to time). **You should not turn off the notification function on your Designated Device in order to receive these notifications.**
